PUBLIC MEETING NOTICE

Business Energy Tax Credit (BETC) Program

November 16 2010 1:30pm – 3:30pm

Oregon Department of Energy
625 Marion Street NE, Salem OR 97301
Westerberg Room

The Oregon Department of Energy (ODOE) has initiated permanent rulemaking for the Business Energy Tax Credit (BETC) program. As part of the permanent rulemaking process, ODOE has been evaluating the current BETC temporary rules and public comments received by September 16, 2010. The Department is conducting a public meeting to discuss proposed policy and rule changes that are a direct result of this evaluation. For the November 16th meeting, ODOE will discuss changes that are being made through rulemaking, which include high performance homes, trucking standards, amendments to preliminary certifications for renewable projects, renewable energy storage devices and a safe harbor date to submit final applications at the program's sunset. The Department intends to file permanent rules within a few days after the meeting.
